II- Reading Comprehension (12Ms)

Read the following passage then answer the questions below:

There are many kinds of birds all over the world. We can see them everywhere and every day. Parrots are beautiful birds. Most parrots come from rainy jungles in hot countries, but they can live anywhere. Some are big and others are very small. People like them because they have beautiful colours and they can talk. They like to keep them in big cages at home. All parrots have got short beaks and long tails. **They** eat fruits and nuts. Some people say that parrots can make sounds similar to people because they are very smart. Parrots are rare birds in Kuwait.

A) Choose the best answer from a, b, c and d (4x2=8Ms)

1- The best title for the passage is:
